Addendum #1 to BFA Application Letter:

Dear 42 Cr. Studio Art BA Majors:

I have had questions about the process for submitting letters of recommendation for the BFA program's application process.

Letters should be emailed to ada0002@hunter.cuny.edu *directly from the recommender* until May 15. After the deadline, faculty can email me directly at thomas.h.weaver@gmail.com.

The form is not essential. If you can email the form or a screenshot of the form to faculty, they can use it and email it as per above. In lieu of the form, faculty are welcome to write a short letter discussing how they know your work, and how they see your development as an artist, your qualities as a student, and their thoughts about your understanding of art as a field of knowledge. Any other information that will help the BFA committee's deliberations will be valuable.

No physical letters will be accepted.

Contact me with any questions.

Sincerely,

Prof. Tom Weaver
